

THE FACEBOOK ORACLE  
November 12, 2010

By Michael Erlewine ([Michael@Erlewine.net](mailto:Michael@Erlewine.net))

Facebook,  
A waste of time?

Not for me.

Like any,  
Good oracle ...

A perfect,  
Thermometer,  
Of my state of mind,  
Instantly showing,  
Both hopes,  
And fears ...

As good,  
A reflection,  
Of me,  
As any,  
Much better,  
Than,  
Most.
