Brenda Lee, Gary Miles at Maur Baldwin Auditorium

Notes: This is a thin stock, small poster (or large flyer), on
thin pulpy newsprint-like stock], announcing 9 Hawaiian concerts,
[part of the "Show of Stars" series of concerts in Hawaii] by BRENDA
LEE , CHUBBY CHECKER, Gary Miles, The Casuals & Bob Beckham.
11/30/60 in Maui, 2 shows at the Baldwin Aud., then, 12/1 matinee in
Honakaa, and evening show at the Hilo Civic Aud., both on the Big
Island, 12/2 early show at Schofield Barracks & late show at the
Honolulu Civic Aud., and on 12/3.. (3) shows at the Honolulu Civic
Aud.. A lot of work for a girl of 16! The artwork on this piece
features 5 earlier boxing style posters for 1959 & 1960 concerts.
These in themselves are fascinating. Probably some pretty rare
posters. There are many quotes from reviewers, and mention is made
of her recent big TV appearances on the Steve Allen Show & The Perry
Como Show. She was big on the POP Charts at this point through the
mid 60's then gradually became big in the COUNTRY Music scene [she's
in the Country Music Hall of Fame]. -- J. Kastor

Notes: Bill had asked me to do a quick lettering poster for these shows, as the artist that was working on the regular poster BG276 was running late getting it to the printer. This is how the straight information poster started for Bill Graham Presents in San Francisco. I believe it's the first infomation type poster for the Fillmore West, Winterland, Civic Auditorium. Bill needed this right now! I didn't have any time to do this so I just used the formula lettering that I had been using as I was very busy with other posters, so it had to be simple. There was only a poster produced in very limited number until the offical poster came out with handbills and all, There was no handbill produced of this image.

Notes: REPLACE EXISTING IMAGE

This was supposed to be the Masquerade Hookers Ball but because they were trying to operate in San Francisco, New York and Los Angeles they changed the name to Masquerade Ball and then they ended up cancelling the other two shows and just having the San Francisco one anyway, so they should have left it Masquerade Hookers Ball it would have been even better than it is. The second image is the way it was supposed to be they shorten the ends as to fit on handbill, the bottom image is the billboard it was on the Sunset Strip up from the Whisky-A-Go Go night club. There was supposed to be a billboard in Time Square, N.Y. as well.

Notes: REPLACE EXISTING IMAGE

This is supposed to represent driving out of the tunnel of the San Francisco Bay Bridge on Treasure Island as you approach San Francisco, with the Golden Gate Bridge to the right. I took some liberties with the painting, e.g., the San Mateo Bridge is on the left along with the Stanford University Tower although you can't see them from there. This poster would have been a beautiful poster had they gotten it color separated the correct way, and printed it smaller and on thicker paper, but they persisted with oversized and cheap paper - those two things can kill a poster. Still, it's a very nice image and it was a killer show. There was a handbill for this show but it didn't have the bands on it, that's the second image

String Cheese Incident, G. Love and Special Sauce at Bill Graham Civic Auditorium - San Francisco, CA

Notes: This poster commemorates a series of concerts over the New Year holidays of 2001-2002, at Bill Graham Civic Auditorium, San Francisco, California. The theme of this event, Superheroes Ball, prompted the illustration of a Rock-It superheroine holding the Sun and ushering in the New Year as she sends a beam of cosmic energy down to San Francisco, the symbol in the Sun being the band's SCI logo. The featured bands on the poster, besides String Cheese Incident, are G. Love & Special Sauce, Taj Mahal & the Phantom Blues Band, and Keller Williams, with Magical Adventures by Peak Experience Productions.
