Notes: Bill Graham's Fillmore East Program for 10/12/1970. "Rock
Relics Auction Show", it reads, " All proceeds to be distributed to
1970 Peace Candidates.." 16 pages, standard 5&1/2x8&1/2". Great
items listed throughout with really cheap estimated prices! Material
in the auction included stuff belonging to, and having to do with
Led Zeppelin, Traffic, Grand Funk, the Who, the Byrds, Miles Davis,
John Entwistle, Grateful Dead, Rolling Stones, BB King, Cream, The
Band, Blind Faith, Santana, Electric Flag, a bunch of Kieth Moon
stuff, Steve Miller, Buffy, Leon Russell, Mountain & material
regarding the Woodstock Festival. It may be the earliest known Rock

Byrds, Tim Buckley at Fillmore East - New York, NY

Notes: Original poster, marquee design [just lettering, column listing, minimal design]for several weeks worth of concerts held at Bill Graham's Fillmore East in New York City between 5/17 and 6/8/1968. There are very few of these existant, as they were printed large & on thin stock and were pasted up around town [fly-posted]. The Fillmore East changed to primarily using print advertising after only putting out a dozen or so poster designs. These particular marquee posters were never made available for resale or given out as souvenirs, unlike the other FE posters. They continued to use this same 'marquee' format for the duration of 'Bill Graham's productions at this hall on postcards that they would mail out & on thin paper handbills that they would distribute around town. Virtually no posters were made in this marquee format. A number of great Rock & Roll acts played during these shows: The Byrds, Tim Buckley, Ravi Shankar, Country Joe & the Fish, Blue Cheer, Moby Grape, the Fugs, Electric Flag [and JIMI HENDRIX jammed with them on June 8th], as well as Quicksilver Messenger Service and some local opening acts... There are lots of interesting details about the shows... the design, etc.... but mainly, let me say, This is 100% real and an unusually hard to find Bill Graham poster! This copy is from a small stash found in the early 90's at the Timely Press [who did printing for the Fillmore East] -- Jacaeber Kastor
