Ramones, Nuns at Mabuhay Gardens - San Francisco, CA  
Notes: Original SIGN from Mabuhay Gardens 17x22", black & white  
stat mounted on cardboard, used for advertising the Feb 22-23, 1977  
performances by the RAMONES and the NUNS at the Punk venue in San  
Francisco. The previous owner of the sign said that when he obtained  
it [and a number of other similarly made Mabuhay signs for different  
bands, allegedly from someone who worked at the club], he was told it  
was used somewhere up front inside the club, by the Broadway  
entrance. The 4 or 5 similar signs I looked at were all somewhat  
aged & damaged. This may be a relatively unique item, as probably  
this crotch-view image of Johnny Ramone was used for flyers mainly.

Mabuhay Gardens Handbills [Set of 134 handbills/posters]

Notes: 134 Handbills

San Francisco's legendary "Mabuhay Gardens" in North Beach was one of the premiere punk clubs in America, featuring groups like the Damned, Iggy Pop, Devo, the Ramones, Crime, the Nuns, Dead Kennedys, DOA, Husker Du and many others. The club ran from around 1976 until

it closed in the early 1980s. Punk flyers are a far cry from their multi-colored psychedelic predecessors, but they have a stark beauty of their own and are now very much collected. This is a collection of 134 punk flyers from the "Mabuhay Gardens."

"On Broadway" was also San Francisco punk club, run by the owner of the Mabuhay Gardens. This collection includes some 87 punk flyers and calendars from "On Broadway."
